

A man, Dr. Syed Masihuddin, is sitting in a dental chair in a modern office. He is wearing a dark blazer over a light shirt and light-colored trousers. He is looking towards the camera with a slight smile. The office has a large window in the background showing greenery outside. A dental light fixture is positioned above him, and a tray with dental tools is visible on the right side of the chair.

## THE FACE OF COSMETIC & IMPLANT DENTISTRY

Dr. Syed Masihuddin always wanted to be a pioneer in dental implants and cosmetics, a dream that he fulfilled when he opened his implant dentistry practice 16 years ago. He was also determined to provide patients the best care possible for the perfect smile, including improving the smiles of children. Dr. Masihuddin achieved his goals with specialized training from NYU Dental Implant Center, continuing education, and courses through the American Academy of Cosmetic Dentistry and International Congress of Oral Implantologists, from which he also was awarded Diplomate status. His state-of-the-art practice features advanced technology to help ensure patients receive the best quality care, including CHROME-guided accurate implant placements and utilizing the best labs for producing beautiful smile makeovers.
